

1 & 2 Chronicles

Like 1st & 2nd Samuel as well as 1st & 2nd Kings, 1st and 2nd Chronicles was originally _____ book. No direct author is identified in the books, however Jewish tradition strongly favors _____ the priest. According to the genealogical record in 1 Chronicles 1-9 it supports a date of writing after 450 B.C. The NT does not directly _____ either of these books. One might ask, what is the purpose of the Chronicles of the Kings, since in some facet we have already been introduced to this information. One possible purpose that has been discussed is that the Chronicles highlight the _____ side involving the kings, where the other books emphasize the _____ side. One unique observation about the Chronicles of the kings is that the real focus is on _____ and his ancestors, those who would sit on his throne and continue the Davidic covenant in _____. Whereas the books of the Kings focused more on the kings of _____. The few times a king of Israel is mentioned it's because there is a direct correlation with him and what's happening with the current king of Judah.
