It seems that Paul won Timothy to the Lord (1 Timothy 1:2) on his first missionary journey and then picked him up as a companion on the second journey. Timothy would serve alongside Paul for the rest of his ministry. At times he would be sent as Paul's representative to churches in Corinth, Philippi and Thessalonica. The first letter written to Timothy was on the occasion that he had taken the pastorate at the church of Ephesus. Like other churches that Paul had helped start, Ephesus had been influenced by false teachers and were suffering because of it. Paul writes this letter to help Timothy navigate these issues.
