

# 2 PETER

This is Peter's second letter to the \_\_\_\_\_ congregations he wrote to in the \_\_\_\_\_ letter (2 Peter 3:1). Peter had become aware that he would soon \_\_\_\_\_ (2 Peter 1:14-15) and tradition teaches us that he did die shortly after writing the letter at the hand of the Roman Emperor \_\_\_\_\_. So Peter's second epistle became his \_\_\_\_\_ speech.

## **Chapter 1**

Peter begins the letter with his customary \_\_\_\_\_ (v1-2). He then invites these believers to be partakers of the \_\_\_\_\_, which is an invitation to grow (v3-15). He doesn't stop with an invitation but gives them the \_\_\_\_\_. As the chapter ends, Peter gives the credentials for his message, it was his \_\_\_\_\_ experience with the Lord (v16-21).

## **Chapter 2**

Peter lays down the undeniable truth about \_\_\_\_\_ teachers including their \_\_\_\_\_, methods and motivation.

## **Chapter 3**

One of the ways the false teachers were seducing believers into \_\_\_\_\_ living was by denying that Jesus was coming back and that there would be a reckoning. Peter closes this last letter with a \_\_\_\_\_ explanation of that very event.
